

The National Guard Association of Kansas would like you and your company to become a ***Partner in Patriotism*** by being a ***Corporate Sponsor or Event Sponsor*** for our organization for 2020.

The National Guard Association of Kansas is made up of over 1,300 officers and families from all Army and Air National Guard units across Kansas. We work with elected leaders at the state and national levels to ensure our Soldiers and Airmen receive resources needed when called upon to defend the United States as well as respond to local and state emergencies.

We invite your company to support this year's National Guard Association of Kansas Conference. The conference will have several hundred attendees to include Kansas National Guard senior leadership, Soldiers, Airmen and their families. Please call Mary McBride at 785-862-1066, email [OperationsDirector@ngaks.com](mailto:OperationsDirector@ngaks.com), or visit [www.ngaks.org](http://www.ngaks.org) to establish your Corporate Sponsorship and reserve your booth on **April 17th and 18th 2020 in Wichita, Kansas at the Holiday Inn, 549 S. Rock Rd.**

Today's Guardsman is the living embodiment of a true citizen soldier. However, Guardsmen face many challenges in maintaining both roles to include deployments, mobilizations, family obligations, military and civilian job requirements, school obligations, and many other community responsibilities. It is impossible for the Guardsman of today to do it alone.

**Your sponsorship of the National Guard Association of Kansas's Partners in Patriotism Program signifies your support of the men and women of the Kansas National Guard.**

**Thank you for your patriotism and support!**

Sincerely,  
Jay Gradinger
